大人気ゲーム「アイドルマスター ミリオンライブ!」4コマコミカライズ第2回!

Did...did something happen? Or rather, what is this heat...
It looks like the air conditioner broke...
I know!
If we stick ourselves to someplace cold, maybe we'll become a little less hot!
The air conditioner!?
They said the repairs won't come until tomorrow...
Ugh-
The wall!?
Look, look, we could use that gap in the wall, for example!
We were all thinking of a way to keep cool, but
Wow~ it feels so cool and refreshing~
Ugh...
That's an inappropriate pose for an idol...
we thought too much and our heads overheated...
Ah...
And with that...
Yeah, Mirai, you're being indecent~!
Come on...
YOU TOO, TSUBASA

It can't be helped...
Now that it's come to this, everyone begin Operation "Pretend To Hold And Eat Your Favorite Ice Cream"!

In any case, it really is hot...
Since we have time until our lesson starts, it would be good if we could do something about this...

Yeah, yeah! Okay, here I go!
I love Gori Gori Kun!

Ice cream! Let's go buy some ice cream!
Yeah, there's no other way!

My favorite ice cream...
Ah-
I love eating sorbets with papa ♪

Urgh-

Eh? Sorb...?
Gori Gori Kun... who is that?

THAT FAILED QUICKLY.
Regret...

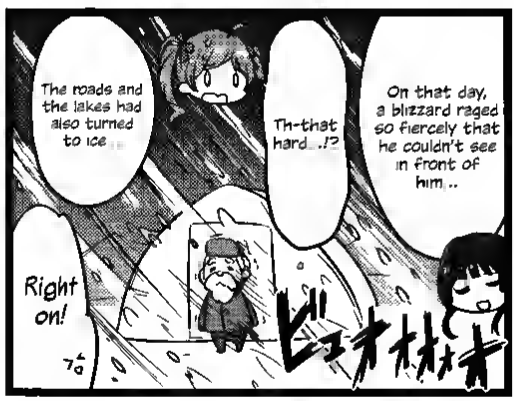
I got it
I see...!
If we keep imagining that there's ice cream in front of us, we might get colder~

An image?
We'll make it a relay story!
Let's create an image of something even colder!
Ugh... let's start over.

10 MINUTES LATER
Wow... this ice cream looks so delicious...♪
hehehe♡

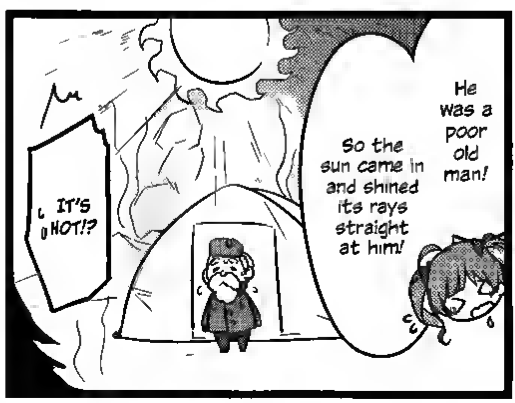
Ooh, I like that~!
A snowy mountain!?
Once upon a time, there lived an old man on the top of a snowy mountain.

This is more than I can eat~!
Ehehe, it's so cold and sweet~...



The roads and the lakes had also turned to ice...
Th-that hard...!?
On that day, a blizzard raged so fiercely that he couldn't see in front of him...
Right on!
ビュオオオオオ

WHAT SHOULD I DO ABOUT THIS...



He was a poor old man!
So the sun came in and shined its rays straight at him!
IT'S HOT!?

アイドルマスター ミリオンライブ！ バックステージ
